Boerne ISD Tennis Camp
Tennis Across Texas

Developing Champions!!!

Tennis Across Texas is conducted throughout the state of Texas, from the Panhandle city of Amarillo to the hill country town of Boerne.

Tennis Across Texas was started in 1999 by Joey Cantu and Tony Martinez in the small town of Pearsall, TX. Both coaches have had great success with camps and high schools during their coaching careers. They are dedicated to the task of building young players' games based on their individual styles of play. Joey & Tony also select instructors who are experienced at working with young players. These instructors include college coaches, high school coaches, and collegiate players. T.A.T is open to girls and boys, ages 7 and above, of all ability levels.
